

ACCWPA Refresher Class

ACCWPA Members and Apprentice Graduates

ACCWPA's in-person refresher training class is coming soon.

Troubleshooting Gas, Oil & Electric Furnaces

This hands-on course is designed to help your employees strengthen their troubleshooting skills and apply them immediately on the job.

Give your team the confidence to troubleshoot faster—register today before seats fill.

This 10-week course will be held on Monday and Wednesday evenings from 6–9 p.m., beginning Monday, September 21st.

Location: Rosedale Technical College

Instructor: Bob Pelles, ACCWPA Apprentice Teacher

Participants will receive a certificate upon successful completion of the course and passing the final test.
